Subject: Conversation with Brenda Johnson and Greg Moss

CC: Randy Douglas, Donna Hingst,

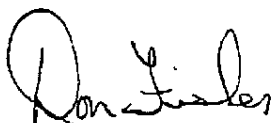

On Friday, April 24, 1998 at 12:15 P.M. I spoke with Brenda Johnson and Greg Moss regarding his recollection of March 19, 1998. On this day Greg Moss an SPR, was at an event at EZ SERVE in Metairie, LA.

Greg stated that he did not recall any thing out of the ordinary happening that day. He did not remember any young people in or about the kiosk on that day. He stated that during his employment as an SPR he made a point of telling any young people who approached the kiosk that they had to leave.

Greg worked the van by himself during the week of March 16th, his partner was in Houma, LA, training a new SPR.

I also spoke with Brenda Johnson, who stated she visited Greg on site numerous times during the promotion. He was a returning SPR from the 1997 program. She also stated he was meticulous in following program guidelines. During the visit on 3/19/98, she did not notice anything out of the ordinary.

Respectly,

Don Fisher
